The Bethel Congregational Annual Meeting was Sunday, January 27. If you were unable to attend, 2018 Annual Reports are available outside the office.

Exploring Genesis... Join the next Sunday adult education video series beginning Sunday, February 3, in the Heritage Room. Over the next several Sundays, we'll join Dr. Terry Frethem, widely regarded as one of the leading teachers on Genesis, as he explores the first book of the Bible and the many stories we know but would do well to hear and learn from again. Dr. Frethem takes these stories of creation, the garden of Eden, the flood, and many others and brings them to life for us, both historically and with what they mean for us today. 10:40 a.m. in the Heritage Room. These sessions build upon one another and yet stand-alone very well. Join in when you can!
